

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

April 22, 2003

On August 24, 2001, six-year-old Jackeline Saavedra was taken from her home in the City of Norwalk. Despite an extensive effort by the Norwalk Sheriff's Department to locate the youngster, her remains were found alongside Firestone Boulevard in the City of Santa Fe Springs on November 23, 2002. To this date, no viable information leading to the identification of the perpetrator(s) responsible for this crime has been uncovered.

It is important for the County of Los Angeles to display an unwavering stance against child abduction cases, especially when the loss of life can be directly linked to such cowardly crimes. I believe this case has reached a point where a reward may be the only way to bring these cowards to justice.

I, THEREFORE, MOVE that the Board offer a \$5,000 dollar reward for information leading to the arrest and conviction of the perpetrator(s) of this crime.
